Supporting evidence form - home and living

What is this form for?

This form is to tell the National Disability Insurance Agency (NDIA) about the home and living supports you need, if those supports can't be met through your current plan, mainstream, community, informal or other supports.

You can complete this form when:

- you're completing a change of details or situation form and want to [change your plan](#) because of your home and living supports
- you're completing a [request for internal review form](#) for a review of a decision we've made about a home and living support.

You need to submit this form with either a [change of details or situation form](#), or a [request for internal review form](#).

We can't change your plan if you submit this supporting evidence form without either form.

Who can complete this form?

Participants or a person acting on their behalf, such as a family member, friend or guardian.

In this form we use the term 'You' and 'Your'. This is referring to the NDIS participant.

You can fill out this form electronically or print and complete it using a blue or black pen.
